2016 STPC & TRANSIT SERVICES POLICY

Air China offers a range of accommodation and transit services to passengers holding CIP999 issued tickets for travel on qualifying itineraries. There have been some changes to the services offered to passengers travelling between North America and China.

STPC & TRANSIT SERVICES FOR 2016

ITINERARY ORIGIN	DESTINATION REGION	ARRIVAL TIME IN PEK	SERVICE AVAILABLE
North America	China	Until 00:59	STPC accommodation for overnight layovers
		From 01:00	No transit service available
	International	Until 00:59	STPC accommodation for overnight layovers
		From 01:00	Lounge service for transit durations 4+ hours

NOTE: Air China does permit passengers to select from earlier flight options to avoid arrival into PEK after 01:00.

This services are subject to availability on a first-request basis and must be requested by calling Air China's North American Call Centre 1-800-882-8122.
