

Dear Travel Partner,

With immediate effect, kindly follow the below name formats for passengers showing only one name on Passport.

This policy applies to itineraries involving combinations with interline partners.

We require the first carrier's name format to be adhered, to avoid any inconvenience to passengers at the airport.

For e.g.

Itinerary involving AC/QR/AC or AC/QR/WS combination (where AC is the first outbound carrier)

Name on passport: **JOHN MR**

1. Last Name is mandatory- if there is no last name, the name field needs to indicate **LNU/JOHN MR**
2. First Name is mandatory-if there is no first name, the name field needs to indicate **JOHN/FNU MR**

LNU – last name unknown, FNU – first name unknown

Itinerary involving WS/QR/WS or WS/QR/AC combination (where WS is the first outbound carrier)

Name on passport: **JOHN MR**

Please follow this name format only - **JOHN/FNU MR**

For assistance with all other name scenarios, please contact our agency support desk at agencysupport@ca.qatarairways.com or at 1 888 706 9561 option 2.
